I, _____, affirm that this assignment represents entirely my own efforts.

I confirm that:

- I have acknowledged the use of another's ideas with accurate citations.
- If I used the words of another (e.g., author, instructor, information source), I have acknowledged this with quotation marks and proper citation.
- When paraphrasing the work of others, I used my own words (not merely using synonyms or rearranging the sentence structure). I have also appropriately cited the source(s) of the idea(s).
- I have checked my work against my notes to be sure I have correctly referenced all direct quotes or borrowed ideas.
- My bibliography includes only the sources used to complete this assignment.
- This is the first time I have submitted this assignment (in whole or in part) for academic credit in any year and/or at any institution.
- Any proofreading by another was limited to indicating areas of concern which I then corrected myself. All changes (including grammar correction) were entirely my own.
- This is the final version of my assignment and not a draft.
- I have kept and will continue to keep my work to myself and did not/will not share answers or content with others, unless otherwise directed by my instructor.
- I understand the consequences of violating the University's academic integrity policies as outlined in the *Code of Behaviour on Academic Matters*.

By signing this form I agree that the statements above are true.

If I do not agree with the statements above, I will not submit my assignment and will consult the course instructor immediately.
