

## Holiday Camp for Kids

### Put a Gnome On It

#### Supplies List

- 2 colours of felt (one for the hat and a different colour for the body)
- coordinating colors of embroidery thread (to match the felt)
- embroidery needle (any thick needle will work)
- craft fur and or/ nautical rope / yarn (for the beard / hair)
- low-temp glue gun
- glue stick
- small wooden furniture buttons or mini pompoms (to make the nose!)
- craft stuffing (old pillow stuffing or cotton balls will do)
- craft sand or a few coins (keeping inanimate gnomes upright for centuries...)
- a pencil or pen
- scissors

Template below on Page 2

# Gnome Template

1. **Print the template. Be sure that the scale is correct (the circle should measure two inches across).**
2. **Cut two felt triangles. You will use one to make the hat and one to make the body of the gnome. Select coordinating colors.**
3. **Cut one felt circle. This will form the gnome's bottom. Use the same color felt you selected for the body.**
