A message from UTM Sports Administrative Staff

The loud cheers in the hallway, the squeaky sneakers on the gym floor, and the flurry of conversations in our program office – all signal to a busy and exciting day at the RAWC. We love seeing students participate in any level of sport programming, whether it's learn to play, drop-in sports, intramurals or tri-campus.

To our students, your continued involvement and dedication to our programs brings our plans and visions into reality. You are a key player in fostering a passionate and inclusive community here at UTM.

Thank you to all our sport staff from game staff, referees, coaches, sport instructors, facility team and others. Your leadership, mentorship and tireless effort are essential to the success of our sports programming – you are the backbone of our community!

To our graduating eagles, your presence will truly be missed. Whether you were only with us for one season or multiple, we hope that the skills you honed, memories you made, and friendships you formed will remain with you for years to come.

Once an Eagle, always an Eagle; continue to soar!

With our thanks,

UTM Sports Administration Staff
