Visit <u>uoft.me/utmmoves</u> and/or follow <u>@utm_athletics</u> on Instagram for all the latest updates about upcoming UTM Moves events and initiatives.

Role Overview:

Reporting to the Supervisor, Wellness Programs, the UTM Moves: Activity Zones Lead is responsible for the development, implementation, and evaluation of the **UTM Moves**Activity Zones series (educational campus pop-ups) as part of the UTM Moves

Program in the Department of Recreation, Athletics & Wellness (DRAW).

Key Responsibilities:

- Designing and developing UTM Moves Activity Zones (educational campus popups) tailored to the needs and interests of the university community, and focusing on a broad range of fitness themes (e.g., spin bikes, weightlifting, walking)
- Creating comprehensive program plans, including rationales, learning outcomes, resource allocation, themes, safety protocols, and engagement activities
- Overseeing the execution of campus pop-ups, ensuring they run smoothly and safely
- Managing logistics including scheduling and staffing, equipment set-up, and onsite coordination
- Researching and synthesizing research and literature pertaining to the benefits of physical activity to overall wellbeing and academic success
- Supporting marketing strategies to promote wellness initiatives through various channels, including social media, email newsletters, campus posters, website, etc.
- Supporting program evaluation efforts, including collecting and analyzing data, preparing comprehensive reports to inform future event planning and program improvements
