PREFACE:

The University of Toronto Mississauga Campus Police Services is dedicated to the concepts of Community Policing. The functions of Campus Police extend beyond the enforcement of selected Federal, Provincial and Municipal laws. The Campus Police maintains a close working relationship with the Peel Regional Police Service, the City of Mississauga Fire and Rescue Service, Mississauga EMS, and other related agencies to ensure a safer university community for students, staff, faculty and visitors.

Officers conduct foot, bicycle and vehicle patrols of the campus 24 hours a day, 7 days a week. Officers participate in a wide range of events and sit on several committees. The department continues to meet the challenges brought on by a continued increase in enrollment and the campus' ongoing physical growth.

The Campus Police continue to work closely with many of the different departments, sections and student groups at U of T Mississauga to help them with their unique needs around safety and security. We look forward to a continued partnership with our community.

Emergency Response Planning in 2013

Under the leadership of both the Manager of Campus Police Services and the Chief Administrative Officer, another table-top emergency response exercise was conducted by the UTM Emergency Response Team. These yearly exercises help to ensure UTM's Emergency Response Team is well prepared to respond effectively to a critical incident on campus.

Equipment

In 2013, Campus Police replaced their existing Ford Escape patrol vehicle with a 2014 EcoBoost Ford Escape.

ORGANIZATIONAL OVERVIEW

The department consists of a Manager, an Assistant Manager, four Corporals and eight Constables. In the absence of a Corporal, the senior Constable on duty is delegated the duties of Acting Corporal.

All officers are sworn as Special Constables by the Peel Regional Police Services Board under the authority of the Ontario Police Services Act. They have the powers of a peace officer while engaged in their duties at U of T Mississauga for the purposes of enforcing the Criminal Code of Canada, and selected provincial and municipal statutes. Peace Officer status allows for a higher level of service to our community.

TRAINING AND RECRUITMENT

Effective training and recruitment practices are integral in ensuring that Campus Police fulfills its mandate while adhering to the principles that guide the delivery of that mandate.

No new officers were hired in 2013.

SUPPORT SERVICES

The following are services and programs provided by the U of T Mississauga Campus Police that enhance and augment the safety and security functions of the department.

Walksafer

The Walksafer program is administered by Campus Police. It operates each weeknight while classes are in session during the fall and winter terms. The times of operation are 7:30 pm to 11:30 pm (9:00 pm to 2:00 am on Thursdays). A team of two students, one male and one female, provide accompaniment to any community member on campus who wishes to be walked from one area of campus to another as an added measure of safety. An average of two to three walks per shift was provided throughout the year.

Closed Circuit Television Cameras (CCTV)

Campus Police maintains and administers a network of CCTV's placed throughout interior and exterior areas of the campus. This system has proven invaluable as not only a deterrent to crime, but has assisted in identifying suspects in a number of incidents on campus. 2013 saw upgrades to this system.

Student Emergency Fund

Campus Police maintain a fund to provide modest amounts of cash to students who find themselves in need of immediate finances for food, medication, transportation, housing and similar needs.

Lost and Found

Campus Police maintain a centralized lost and found for the campus. We often receive items such as wallets, phones, flash drives, books, etc. where the owner can be identified. In these instances, Campus Police are able to quickly return those items to their owners. Most other unclaimed items, such as clothing, are kept up to three months and eventually donated to local charities.

Fire Safety

Two members of U of T Mississauga Campus Police train and coordinate the Fire Wardens on campus. Campus Police provide two-way radios to most of the Fire Wardens for use during building evacuations. The officers also coordinate fire drills for various buildings on campus. Campus Police liaise regularly with the Mississauga Fire Department in ongoing fire safety planning and response.

ECSpeRT

ECSpeRT is an acronym for the Erindale College Special Response Team. This is a group of dedicated student volunteers with extensive First Aid/CPR/AED training. They are on duty five days a week from 10:00 am to 10:00 pm. Campus Police work very closely with this team and dispatch their on-duty members to attend medical calls in tandem with Campus Police.

Traffic Safety

In our continuing efforts to reduce speeding and increase overall campus traffic safety, Campus Police use a handheld speed radar unit to help curb speeding on campus. A fixed speed radar display unit that flashes their current speed to drivers passing the unit further also assists us in making our campus roads safer.
