## Research Statement

Please attach a description of your proposed research project that is a maximum of 500 words.

- Print the research description on 8½ by 11 inch paper, double-spaced, with margins of at least 1 inch on all 4 sides. Use at least 11-point font size throughout.
- **Use non-technical language appropriate for a multi-disciplinary committee.**
- Include the following information:
  1. *Research Objectives and Relevance.* Provide the rationale for the proposed research, including the research questions or hypotheses and explain the relationship and relevance of the research to your current undergraduate degree.
  2. *Methodology and Timeline.* Describe the proposed research strategies and key activities, including a timeline. For a group application, describe the involvement of each student member. If a survey is proposed, the questionnaire must be provided as an addendum to the application.
  3. *Anticipated Outcomes and Dissemination of Results.* Describe the anticipated outcomes and explain how the results will be disseminated: e.g., conference, workshop, publication.

### Part III – Budget Information

<p>Budget</p> <p>Please provide a detailed budget, listing all items and their approximate costs, including equipment, supplies, and proposed travel. <b>Provide justification for each item</b>, including the sources consulted to evaluate the expenses. Expenses must be warranted in the context of the research outline in your Research Statement. You will not be judged on the <u>amount</u> of your budget; rather, small or large, your budget will be judged on whether it is appropriate for your research project. There is no word limit for your budget justification, so you may wish to make use of this section to explain some aspects of your project requirements, as related to costs.</p>	
<p>Funding Requested (maximum \$500 per applicant):</p> <p>\$</p>	
<p>Other Sources of Funding – Provide details of all other sources of funding received, applied for, or anticipated (e.g., funding agency, funding period, status):</p>
