ART & ART HISTORY AND DVS AWARDS GALA

We would like to acknowledge that for thousands of years this has been and still is the traditional territory and waters of the Mississaugas of the Credit First Nation, Anishinaabe Nation, Huron-Wendat and the Haudenosaunee Confederacy. Sheridan College sits on these lands and it is our collective responsibility to honour and respect those who have gone before us, those who are here, and those who have yet to come. We are grateful to have the opportunity to work here; and through our activities seek to create a space for people from within and outside our diverse community to create, share and discuss contemporary art, as well as to understand the art of long ago — all in the spirit of peace, friendship and respect.
