9:50 Samantha 10:00 Rachel Co 10:10 Cassidy Fe 10:20 Luca De G 10:30 Sara Lefur 10:40 – 11:10 COFFEE BI 11:10 Veronica I	a Pavlidis owie -erguson Giacco	Using Radiographs of the Proximal Femur Estimating mandible size/shape when generating facial approximations of the deceased Evaluating the Extent of Tissue Shrinkage Using Amber: A Proposed Substitute for Formalin Embalming affect on Osteopontin (OPN) in human bone Infant Mortality at the Barrack Hill Cemetery Factors Contributing to the Unnecessary Collection of Ancestral Bone	9:50 10:00 10:10	Trudy McKnight Sarujan Sivakumar	flooring ABO Group/Rh Factor Field Testing of Dried Blood Swabs Comparing the Enhancement of Bloody Footwear Impression Developed with Lac Dye and Amido Black The Comparative Results of Dust Footwear Impressions using the
10:00 Rachel Co 10:10 Cassidy Fe 10:20 Luca De G 10:30 Sara Lefur 10:40 – 11:10 COFFEE BI 11:10 Veronica I	a Pavlidis owie -erguson Giacco	Evaluating the Extent of Tissue Shrinkage Using Amber: A Proposed Substitute for Formalin Embalming affect on Osteopontin (OPN) in human bone Infant Mortality at the Barrack Hill Cemetery Factors Contributing to the Unnecessary Collection of Ancestral Bone	10:00	Sarujan Sivakumar	Comparing the Enhancement of Bloody Footwear Impression Developed with Lac Dye and Amido Black The Comparative Results of Dust Footwear Impressions using the
10:10 Cassidy Fe 10:20 Luca De G 10:30 Sara Lefur 10:40 – 11:10 COFFEE BI 11:10 Veronica I	Ferguson Giacco	Embalming affect on Osteopontin (OPN) in human bone Infant Mortality at the Barrack Hill Cemetery Factors Contributing to the Unnecessary Collection of Ancestral Bone	10:10		Developed with Lac Dye and Amido Black The Comparative Results of Dust Footwear Impressions using the
10:20 Luca De G 10:30 Sara Lefur 10:40 – 11:10 COFFEE BI 11:10 Veronica I	Giacco I	Infant Mortality at the Barrack Hill Cemetery Factors Contributing to the Unnecessary Collection of Ancestral Bone		Simrandeep Pannu	
10:30 Sara Lefur 10:40 – 11:10 COFFEE BI 11:10 Veronica I	ırgey	Factors Contributing to the Unnecessary Collection of Ancestral Bone	10:20		Static Lifter vs Gel Lifter, throughout a Depletion Series
10:40 – 11:10 COFFEE BI	irgey	,		Renée Lamont	Accuracy of Virtual Lead-In Method
11:10 Veronica	BREAK	builing Faultal Bolle Necovery	10:30	Sanjeev Chana	Metal Thickness & Impact Angle
			10:40 - 11:10	COFFEE BREAK	
11:20 Madiha A	Umerez	A Holistic Data Management Approach for Finding Missing Persons and Unidentified Remains	11:10	Sahana Pirapakaran	3D Laser Scanner vs. Manual Documentation
	Ansari	Anemia of a Genetic Etiology and its Pathognomic Signs	11:20	Harjot Malhi	The Use of Liquid Latex for the Removal of Debris and the Recovery of Fingerprint Evidence from Recovered Stolen Vehicles
11:30 Karl Viebo	oock I	NSP	11:30	Francesca D'Ambrosio	Assessing the performance of Sciluminate on different surfaces
11:40 Amy Park	¢ .	Investigating the Prevalence of Cannabis in Work-Related Deaths in Ontario During Periods Before and After Cannabis Legalization.	11:40	Marusa Bavakaran	The Effectiveness of ThermaNIN
11:50 Sarah Gar	rnett	Current Beliefs on Ethical Conduct Regarding DNA Sources: A Critical Literature Review	11:50	Gloria Caetano	Examining the effectiveness of novel infrared powders for developing latent fingerprints on Canadian polymer bank notes
12:00 Pippa Oxl	dey	Determining the Limitations of ANDE Rapid DNA	12:00	Nicole Judd	Using Full-Spectrum Photography to Visualize Latent Fingerprints on Difficult Surfaces
12:00 – 1:30 LUNCH A	AT THE BLIND DUC	K PUB	12:00 – 1:30	LUNCH AT THE BLIND DUCK PUB	
1:30 – 2:00 Poster Ses Forum Spa	ession in IB pace	Note: Poster sessional is open, and overlaps with lunch	1:00 – 2:00	Poster Session in IB Forum Space	<u>Note</u> : Poster sessional is open, and overlaps with lunch
AFTERNOON Shelby Sco PhD Cand	cott,	SESSION THEMES: PSYCHOLOGY & THE JUSTICE SYSTEM	AFTERNOON	CHAIRED BY Grace G. Alcock, PhD Candidate	SESSION THEMES: TOXICOLOGY, BIOLOGY & PHYSICS
2:00 Tzu (Julia)	a) Tang	Factors of Wrongful Convictions in Canada and United States of America	2:00	Alexis Rodrigues	The Application of a Slime Compound Containing Fingerprint Enhancement Reagent Hungarian Red
2:10 Claudia D	D'Costa	Risk Factors for Wrongful Convictions in Canada	2:10	Alyssa Maxwell	Contact Versus Contactless Fingerprint Development
2:20 Maja Turk	kalj l	How age plays a role in Canadian cases of wrongful conviction	2:20	Saria Siddiqui	Comparison of Presumptive Tests for Saliva
2:30 Thayalin 1	Taiyini	Race & Identification	2:30	Jude Sibai	Canine STR Typing: A proof-of-concept study for Thermo Fisher's Canine Genotypes panel 2.1 Multiplex Kit
2:40 Pamela Le	.ekkas	Investigation of Influence from Weapon Presence and Disguise Presence on Eyewitness Misidentifications in Canadian Wrongful Convictions	2:40	Sona Tissington	Comparing Dog Breed Prediction Methods Using STR Genotyping and Commercial Canine DNA Kits
2:50 Anna Afar	anasveva	Conditions in Correctional Facilities and Their Effects on Recidivism Rates	2:50	Michela Marcellino	Testing for Evidence of Recent Selection at Solute Transport Genes among Diverse Human Populations
3:00 – 3:20 COFFEE BI	BREAK		3:00 – 3:20	COFFEE BREAK	
3:20 Ebony Mo	orris	Incarceration and Access to Mental Health Services by Race and Gender	3:20	Kairavi Parikh	Association Between Genetic Variants in Contactin Genes and Suicidality
3:30 Devon Cro	ron	Barriers to Accessing Psychiatric Services pre-NCR	3:30	Alvin Stanislaus	Evaluating the Efficacy of Adolescent Opioid Education Workshops
3:40 Zarya Pow	well-Thompson	Toxic Psychosis in Relation to Not Criminally Responsible on Account of Mental Disorder	3:40	Cassie Cote	Evaluation of Cold Temperatures on Reliability of the Dräger DrugTest 5000 and SoToxa Mobile Test Systems for Oral Fluid Drug Testing
3:50 Tessa Lon	ng l	Psychiatric Diagnosis & ORB Duration	3:50	ldris Abdul	Adsorption of THC, Metabolites and Related Cannabinoids During Storage of Plasma Samples in Gel Separator Tubes
4:00 Closing Re	Remarks		4:00	Closing Remarks	
4:00 – 5:00 Reception	n at the Blind Duck	c Pub	4:00 – 5:00	Reception at the Blind D	Puck Pub
