## During our internship we worked with a network of Canadian companies to help accelerate the 17 Sustainable Development Goals and the 10 Principles of the UNGC

What we worked on to advance all 17 SDGs and 10 Principles included:

- Planned 2017 SDG Awards
- Presented recommendations to UNGCNC on how to better measure impact and improve their annual report
- Research and data collection to understand and address the barriers of sustainability adoption within Canadian small-to-medium enterprises

**11 SUSTAINABLE CITIES AND COMMUNITIES**

**What we did:**

- Proposed meeting agendas for Ottawa delegation meetings in order to advance the SDGs in multiple sectors across Canada.

**What we learned:**

- Gained a better understanding of the role of politics and government in sustainability

**17 PARTNERSHIPS FOR THE GOALS**

**What we did:**

- Coordinated and marketed webinar on the future of sustainability reporting

**What we learned:**

- Understood the importance of thought leadership and collaboration in the sustainability and reporting areas

**5 GENDER EQUALITY**

**What we did:**

- Gender Equality Forum Follow-up
- Research to understand Global Affairs Canada's role in Gender Equality promotion globally

**What we learned:**

- Women and men are currently frustrated with the corporate gender gap. Organizations like the GCNC need to continue raising important discussions to close the gap

**What we did:**

- Coordinated entire webinar from planning to follow up stages
- Moderated webinar and contributed meaningful content and questions

**What we learned:**

- How to implement a successful Environmental Management System
- Understand the importance of collaborating with corporate professionals to develop and promote a successful webinar

**What we did:**

- Provided technical and marketing support for the webinar series on Anti-corruption in four major regions
- Research on Anti-corruption strategies, policies and practices worldwide

**What we learned:**

- Anti-corruption challenges and best management practices in Africa, Eastern Europe, Asia and South America
- How to coordinate with various experts and make valuable resources accessible to Canadian businesses

**What we did:**

- Assisted in the coordination of the OECD Guidelines Webinar

**What we learned:**

- Gained an understanding of responsible business conduct including employment, industrial relations and human rights
