

About

Social Impact

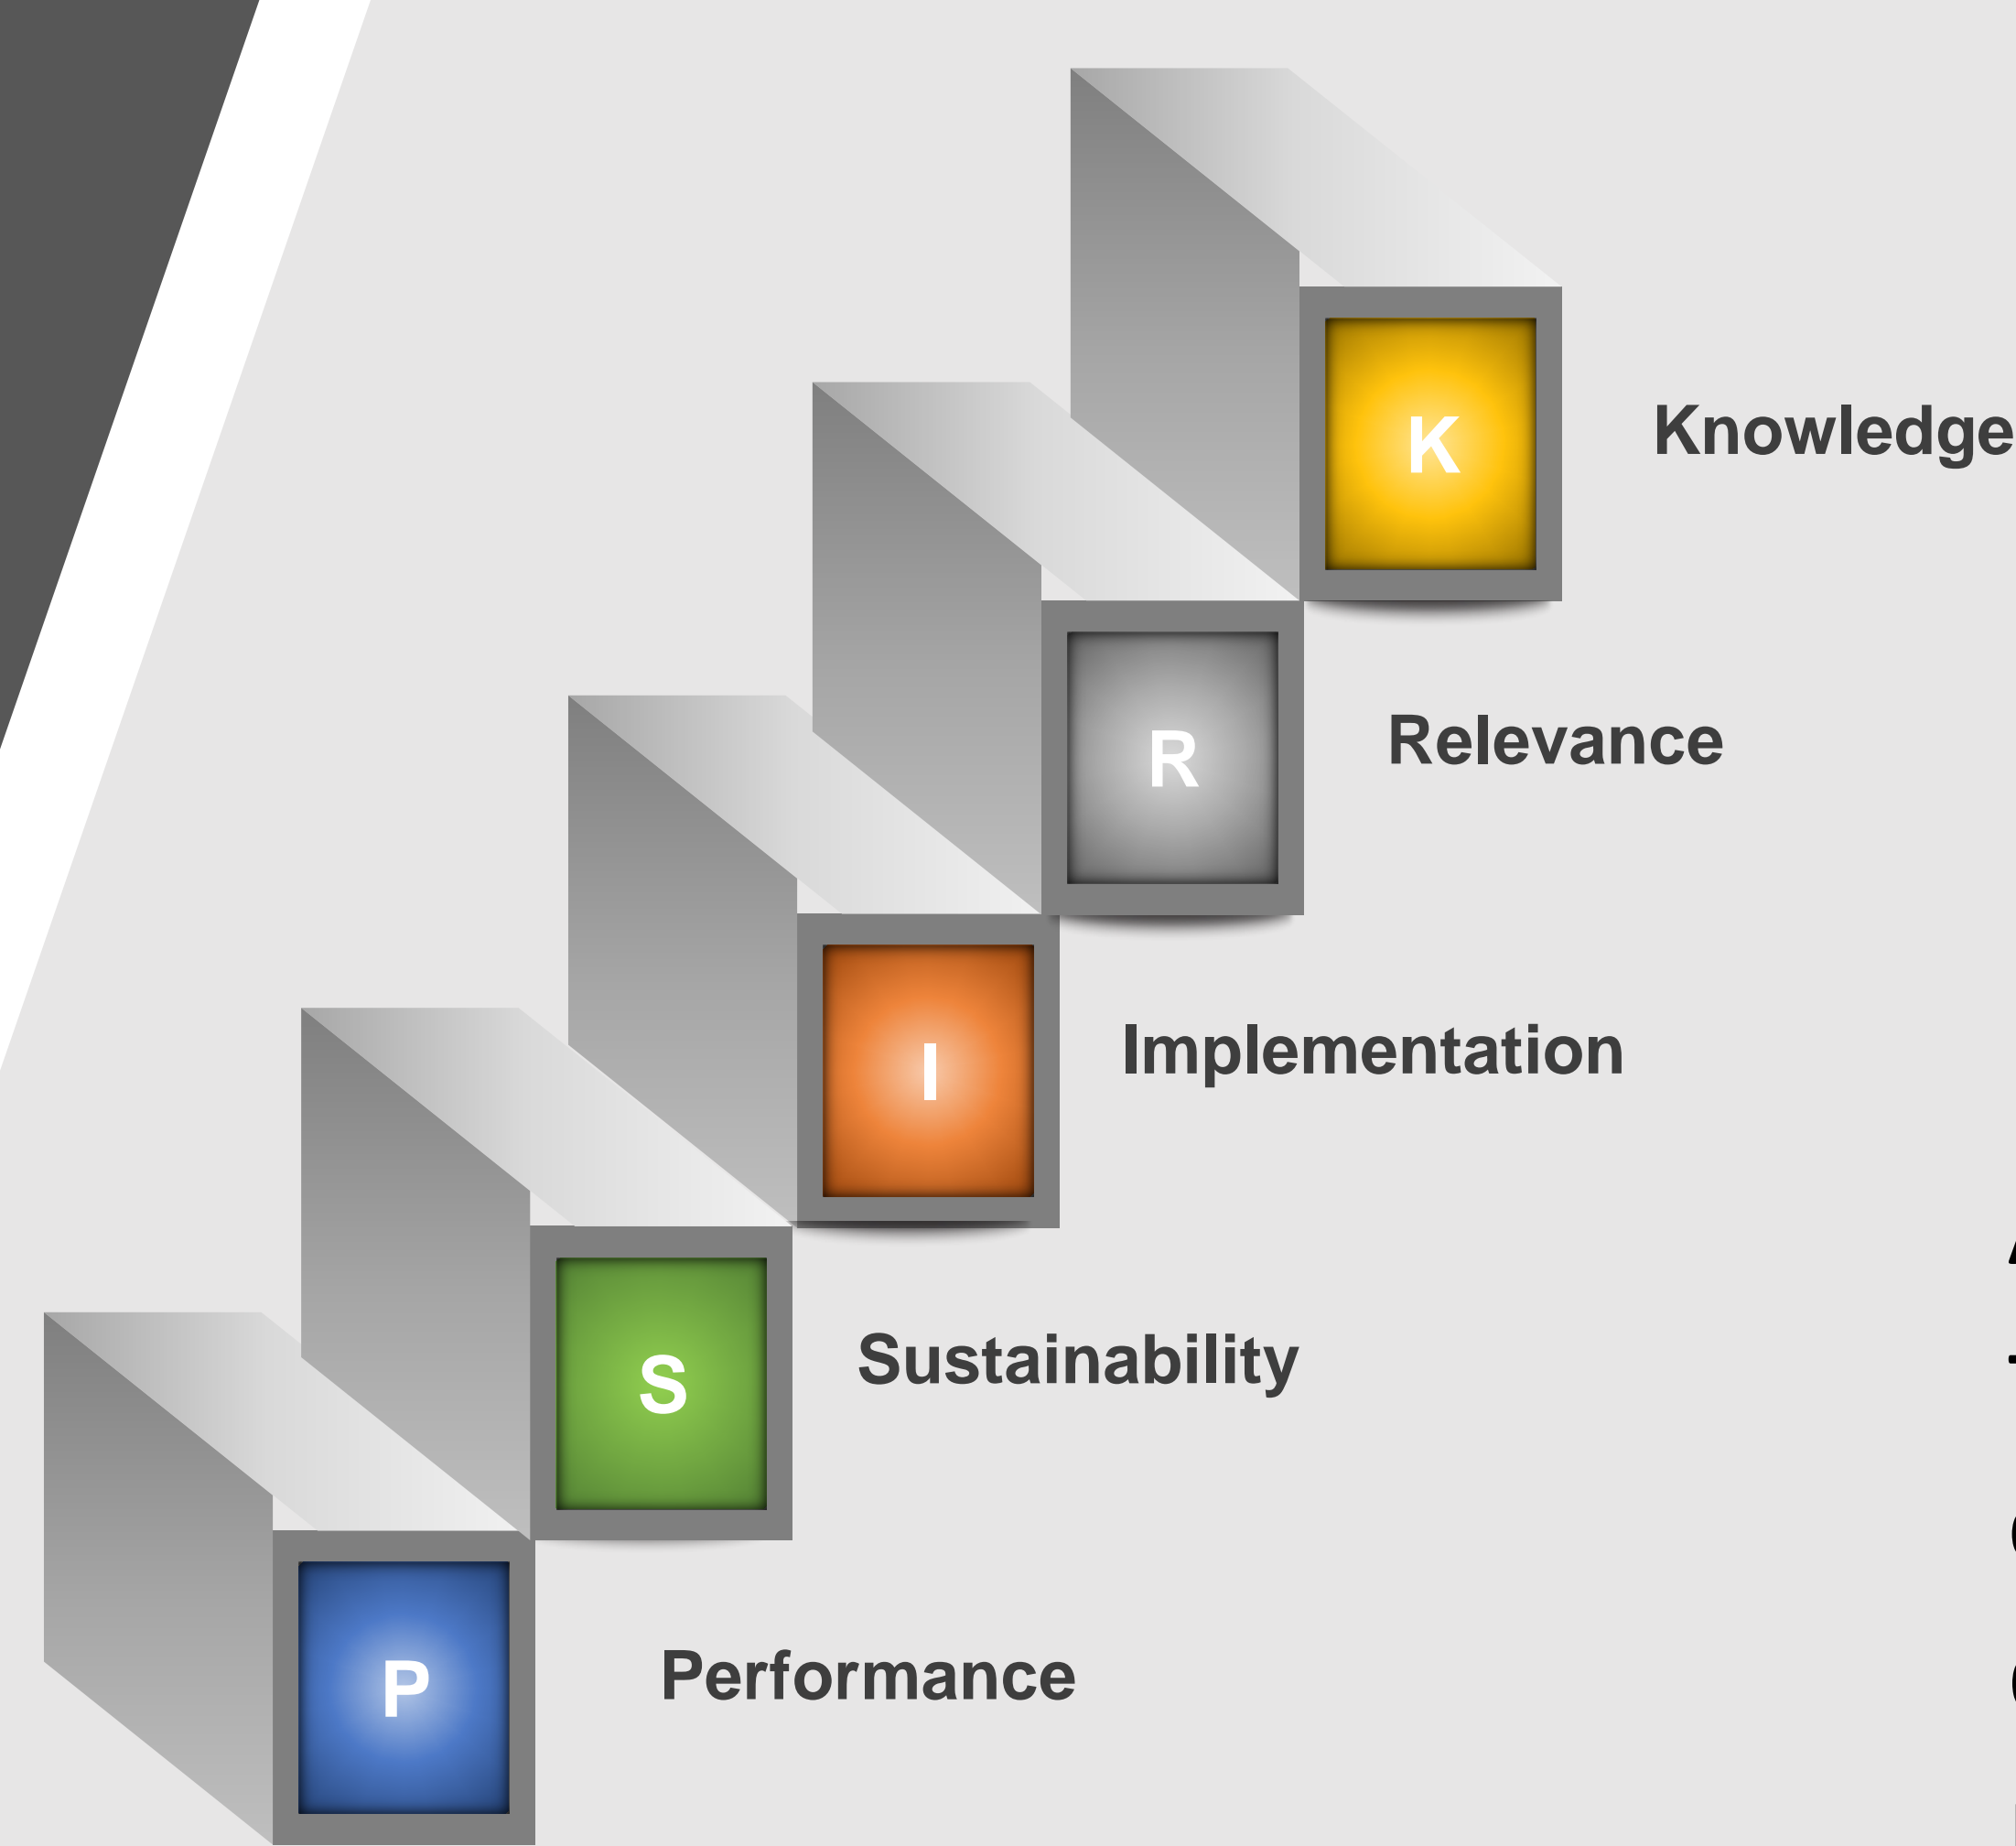

Organization Impact

We want to make an **organizational** and **social impact**, through **change management** by **empowering** and building **competency** of the people we work with, while providing unique **sustainable change** and **implementation strategies**.

Impact CMC is a Change Management and Implementation Consulting company that specializes in Change Management, Implementation, Strategic and Operational planning and Transformational Change.

A Change Management model that allows clients to source **Knowledge**, make it **Relevant** to their organizational needs, execute **Implementation**, develop **Sustainability** in change and measure **Performance**.

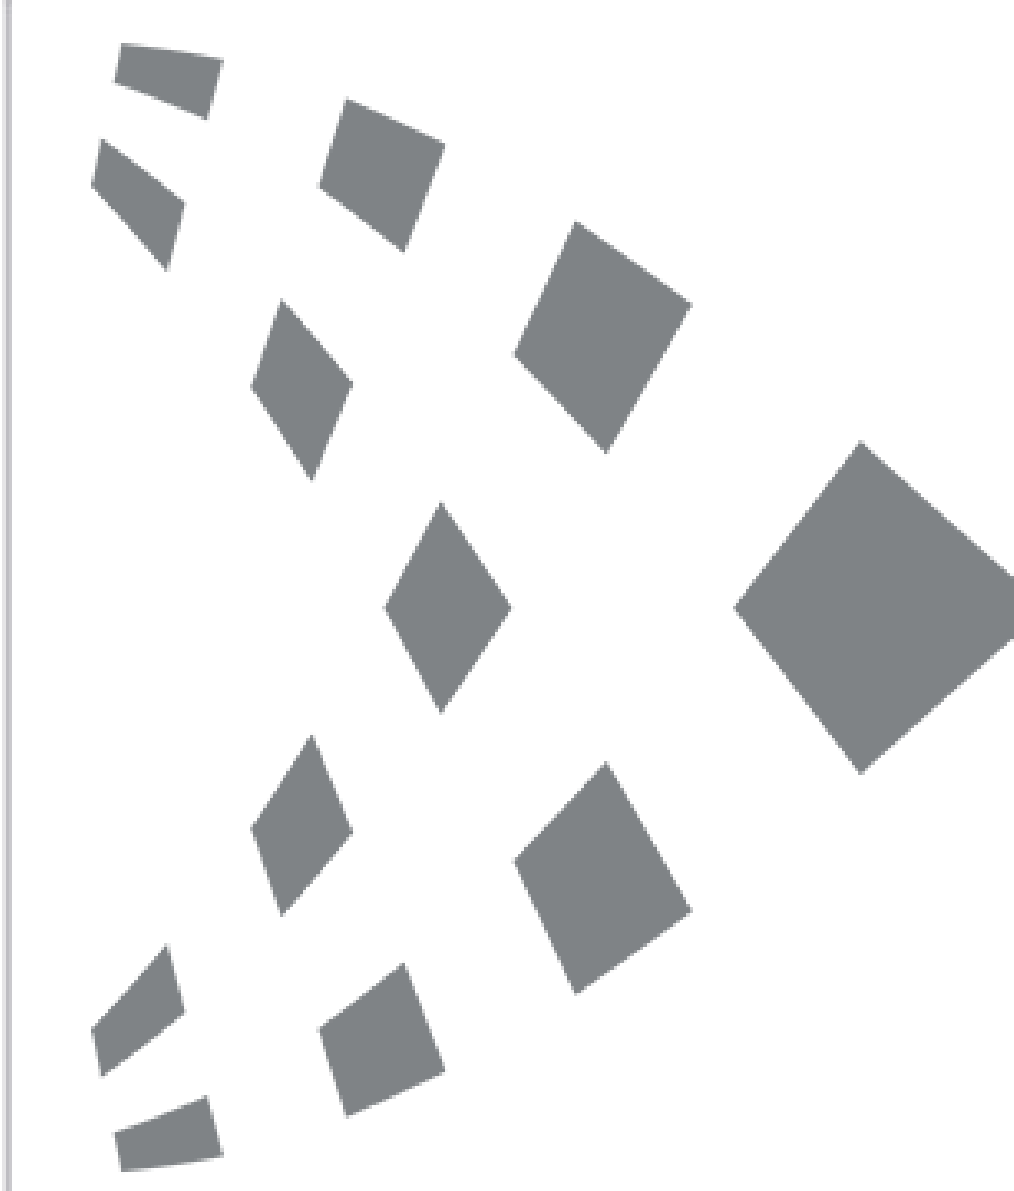

Associate Consultant

ASHLEY ARORA

Change is a **Process**.
