If you plan on driving please park in parking lot 4 or 8 as circled in the map below. Please note that the parking lots are monitored by the city and that a parking ticket is required and can be purchased in the lots. Please enter the Recreation and Wellness Centre Gym through the big glass doors, directly across from the parking lot. Once in the RAWC gym, please take the long hallway straight ahead, past the athletics desks. You'll see an elevator at the end of the hall with an eagle painted on it. You may take that, or the stairs, to the 3rd floor. Then, follow signs for "Council Chambers – Room 3130".
