## Company

Competent Boards provides professional development and advisory services focused on bringing ESG, Climate and Sustainability insight to boards, investors and executives globally. The faculty delivering the highly praised online Competent Boards Certificate Program consists of over 90 of the world's leading board members, C-suite executives, investors and experts

## Internship

- Assisted Lead Research Analyst
- Conducted Research on the Effects of the Pandemic
- Produced Communications Material for Social Media
- Composed ESG Related Editorials
- Assisted in the Development of the Company's Marketing Plan

## Trends

Spurred on by the COVID-19 pandemic, ESG issues have begun to play a significant role in both business and financial allocation. Firms are beginning to seek greater purpose than mere profits and are beginning to create value to both stakeholders and shareholders alike. Nonetheless, society is currently in a uncertain transitional period and there is considerable apprehension towards this shift towards a more stakeholder capitalism model.

## Takeaways

- Developed Professional Communications
- Improved Time Management Abilities
- Fostered Greater ESG Knowledge
- Gained Experience Working with a Start Up Company
- Increased Understanding of Board Governance
- Cultivated Larger Professional Network
