

## About

The Building Owners and Managers Association of Canada (BOMA Canada) has represented the owners and/or managers of Commercial Real Estate (CRE), as well as suppliers to the industry, for over 100 years. The organization engages its members in creative ideas and initiatives that promote education, advocacy, sustainability, recognition of excellence in the industry as well as provide opportunities for networking.

# PROJECTS

*RENEWABLE ENERGY CREDITS  
AND CARBON OFFSETS*

*TRANSIT AND OCCUPANT  
SURVEY*

*STUDENT BOMA BEST  
CERTIFICATION*

## OPERATIONAL HIGHLIGHTS

- Responsible for creating content for these projects - included independent consulting, data research as well as creating strategic partnerships with industry stakeholders
- Devised the survey to check and improve occupant transit, health and wellness satisfaction levels
- Created the technical document for BOMA BEST Student sustainability certification – a new project under the umbrella of the BOMA Education platform which aims to provide a student certification, which would be accredited in the CRE industry

## BOMEX Virtual 2020

- Active member of the planning committee – engaging with the team to plan sessions, content, and speakers for the inaugural BOMEX Virtual Conference, held October 28th & 29th
- Brainstormed ideas for the topics and suggested relevant speakers from various industries, involved in sustainability
- Major responsibilities included speaker outreach, communication with the speakers (agents/PR team) as well as organizing a master tracker that outlined conference information, speakers, and session details

## PERSONAL HIGHLIGHTS

- Recognized as a key team player - hired again for a contract placement
- Entrusted with independent projects and consulting - commended for adding creative perspectives to the sustainability approach
