

COMMERCE: FINANCE (BCom)

Department of Management

Many students are interested in careers in financial institutions, or within the finance functional area of corporations or other large organizations. The Commerce Specialist program in Finance includes courses covering corporate finance, investment theory, financial derivatives (futures and options), financial management, mergers and acquisitions, security analysis, behavioural finance, fixed income and international finance. These courses provide a solid foundation for understanding how funds are raised in the capital markets, and how organizations allocate their financial resources efficiently.

MAKE THE MOST OF YOUR TIME AT UTM!

We want to help you maximize your university experience, so we've pulled together information and interesting suggestions to get you started, although there are many more! As you review the chart on the inside pages, note that many of the suggestions need not be restricted to the year they are mentioned. In fact, activities such as joining an academic society, engaging with faculty and seeking opportunities to gain experience should occur in each year of your study at UTM. Read through the chart and create your own plan using [My Program Plan](#) found at www.utm.utoronto.ca/program-plans

Programs of Study (POSt)

*Consult the Academic Calendar for greater detail on course requirements, program notes and degree requirements.

COMMERCE: FINANCE

Skills developed in Commerce: Finance

To be competitive in the job market, it is essential that you can explain your skills to an employer. Visit the Career Centre to learn how to articulate and market the following skills:

Communication: prepare and make oral presentations; write detailed reports; and convey concepts and ideas accurately.

Research & analytical: attention to detail; critical and analytical thinking; evaluate ideas and research; statistical analysis; and computer modeling.

Problem-solving: decision making and interpret research and data.

Organizational: time management; manage multiple priorities during peak times; and application of theoretical knowledge in practical settings (e.g. via internships).

Get involved

Check out the 100+ student organizations on campus. Here are a few:

- Innovative Business Association (IBA)
- UTMM Competition (UTMMC) Team

FUTURE STUDENTS

Admission to UTM

All program areas require an Ontario Secondary School Diploma, or equivalent, with six Grade 12 U/M courses, or equivalent, including English. The admission average is calculated with English plus the next best five courses. The Grade 12 prerequisites for this program are Advanced Functions and Calculus. The approximate average required for admission is mid-80s. More information is available at utm.utoronto.ca/viewbook.

NOTE: During the application process, applicants will select the Commerce admissions category, but will not officially be admitted to a formal program of study (Specialist, Major, and/or Minor) until after first year.

Sneak Peek

How are investment decisions made? Find out in MGT231H5. This course analyzes the financial investment decision-making process of individuals and firms. It provides an introduction to present-value techniques, capital budgeting decision-rules, the problem of investment under uncertainty, and portfolio theory. Gain a competitive advantage and learn programming. Learn about the role computation plays in solving business problems and accomplishing practical tasks in the business world in MGT201H5 – Coding for Business.
