

MANAGEMENT (BBA)

Department of Management

The Management Specialist is a four-year program which leads to a BBA degree preparing students to become effective members of organizations. Drawing on a balanced offering of rigorous intellectual frameworks from the social sciences, the Specialist covers the nature and operations of organizations as well as managerial functions.

Career success upon graduation requires the social skills, professionalism and maturity developed through active participation in the extensive extra-curricular programming activities offered by the Department of Management, and our undergraduate societies. Activities include attendance and participation in conferences, competitions, seminars and workshops.

MAKE THE MOST OF YOUR TIME AT UTM!

We want to help you maximize your university experience, so we've pulled together information and interesting suggestions to get you started, although there are many more! As you review the chart on the inside pages, note that many of the suggestions need not be restricted to the year they are mentioned. In fact, activities such as joining an academic society, engaging with faculty and seeking opportunities to gain experience should occur in each year of your study at UTM. Read through the chart and create your own plan using **My Program Plan** found at www.utm.utoronto.ca/program-plans

FUTURE STUDENTS

Admission to UTM

All program areas require an Ontario Secondary School Diploma, or equivalent, with six Grade 12 U/M courses, or equivalent, including English. The admission average is calculated with English plus the next best five courses. The Grade 12 prerequisite for this program is Advanced Functions. The approximate average required for admission is mid-80s. More information is available at utm.utoronto.ca/viewbook.

NOTE: During the application process, applicants will select the Management admissions category but will not officially be admitted to a formal program of study (Specialist, Major, and/or Minor) until after first year.

Sneak Peek

How do managers influence individual and group behaviour? In MGT262H5, you will explore relevant problems confronting management such as motivation, influence and communication. What influences consumer behaviour? Find out in MGT252H5! Students learn basic concepts of market definition, consumer behaviour, and the principal marketing functions: product line development, pricing, distribution, promotion, salesforce management, advertising, research, and planning.

Prospective students should note that if you apply to the Management Stream in the admissions process and are admitted to U of T Mississauga, you receive priority in registration for prerequisite courses in the BBA Management Specialist Program.
